SUFI SAYING
by Bulleh Shah
(1680 - 1758)
You have learnt so much
And read a thousand books.
Have you ever read your Self?
You have gone to mosque and temple.
Have you ever visited your soul?
You are busy fighting Satan.
Have you ever fought your
Ill intentions?
You have reached into the skies,
But you have failed to reach
What's in your heart!

SUFI SAYING
by Baba Sheikh Farid
(1173 - 1266)
Do not speak a hurtful word,
for in everyone lives the true Lord.
Do not break anyone's heart,
for each heart
is a priceless pearl.

Strictly No food or drinks allowed inside the hall. Fine applies
